TRUST FOR PUBLIC LAND™

What is the Dallas Greening Initiative?

An initiative to transform city-owned land into neighborhood greenspaces to:

- Increase the number of Dallas residents who have a park within a 10-minute walk of their home
- Improve the health, equity, and climate resilience of neighborhoods throughout the city through the creation of neighborhood public greenspaces located in Dallas's largest and highest-need park deserts
- Ensure that the nearby residents are part of the process

Where is the greenspace located?

- **Address:** 3728 High Vista Dr, Dallas, TX 75244

Group Reflection/*Reflexión en Grupo*

English

1. What would a perfect day in your future greenspace look like for you, your family, or your neighbors?
2. What makes a park feel like it belongs to you or your community?
3. Which areas of this greenspace make you feel calm or joyful? Which ones make you feel uncomfortable or unsafe — and why?

Español

1. *¿Cómo sería un día perfecto en tu futuro espacio verde para ti, tu familia o tus vecinos?*
2. *¿Qué hace que un parque se sienta como tuyo o de tu comunidad?*
3. *¿Qué áreas de este espacio verde te hacen sentir tranquilidad o alegría? ¿Cuáles te hacen sentir incómodo o inseguro — y por qué?*

TRUST FOR PUBLIC LAND™

What is a “Friends of” group?

- A "Friends of" group is made up of neighbors and resident leaders who are passionate about supporting and caring for their local greenspace
- **Through their community-led efforts, they can:**
  - Help keep their park beautiful through clean-up events and beautification projects
  - Activate their park space through programming and events
  - Advocate and fundraise for park improvements
  - Help make parks welcoming, safe, and active community spaces

TRUST FOR PUBLIC LAND™

Visioning & Activity Planning

What are your hopes for your greenspace + how can a Friends of group take shape?

TRUST FOR PUBLIC LAND™

Connecting everyone to the outdoors™

Step 1: Activities in the Park

Prompt:

What types of activities would you like to see in your neighborhood greenspace? (e.g. events, programs, etc.)

Paso 1: Actividades en el Parque

Pregunta:

¿Qué actividades te gustaría ver en tu espacio verde vecinal? (e.g.eventos, programas, etc.)

TRUST FOR PUBLIC LAND™

Step 2: Role of a Friends Group

- **Prompt:** How can a Friends of group support these activities and the greenspace at High Vista Dr?
- **Identify shared:**
  - Goals (e.g. what do you want to accomplish)
  - Strengths (e.g. what skills can the community share; what assets can be utilized)
  - Needs (e.g. what needs do you want to meet)

Paso 2: El Papel de un Grupo de Amigos

- ***Pregunta:*** *¿Cómo puede un grupo de Amigos apoyar estas actividades y el espacio verde en High Vista Dr?*
- ***Identifiquen juntos:***
  - *Metas (¿qué quieren lograr?)*
  - *Fortalezas (¿qué habilidades puede compartir la comunidad? ¿qué recursos existen?)*
  - *Necesidades (¿qué necesidades quieren atender?)*

Step 3: Finding Shared Goals

- **Prompt:** What are the 2–3 most important goals or principles you thought of or discussed?
  - Together, let's identify the top shared goals or principles. These priorities can serve as the foundation for the future Friends of High Vista Dr Greenspace group

Paso 3: Encontrando Metas Compartidas

- ***Prompt:*** *¿Cuáles son las 2-3 metas o valores más importantes que pensaste o discutiste?*
  - *Juntos, identifiquemos las metas o valores más importantes que compartimos. Estas prioridades pueden servir como base para el futuro grupo de Amigos del Espacio Verde en High Vista Dr.*

What We Do as Community Connectors

Qué hacemos como conectores comunitarios

As Community Connectors for the City of Dallas Park Department, we build meaningful relationships through park engagement projects that promote volunteerism and community pride.

Como Conectores Comunitarios del Departamento de Parques de la Ciudad de Dallas, construimos relaciones significativas a través de proyectos de participación en parques que promueven a que las personas sirvan como voluntarios y tengan orgullo comunitario.

Sweat Equity and Stewardship
Equidad de sudor y administración

- Through hands-on initiatives that increase sweat equity and foster civic responsibility

A través de iniciativas prácticas que aumentan el esfuerzo y fomentan la responsabilidad cívica

- We empower residents to actively invest in the care and improvement of their local parks

Empoderamos a los residentes para que inviertan activamente en el cuidado y la mejoramiento de sus parques locales.

- Our work supports long-term partnerships through Beautification Agreements.

Nuestro trabajo apoya asociaciones a largo plazo a través de acuerdos de embellecimiento.

- Encouraging community groups to commit to at least one year of sustained park stewardship, often growing into lasting collaborations that enhance both the parks and the people they serve.

Alentar a los grupos comunitarios a comprometerse al menos durante un año con una gestión sostenida del parque, lo que a menudo se convierte en colaboraciones duraderas que mejoran tanto los parques como las personas a las que sirven.

Event Experience / Experiencia en eventos

We work on as many as 200 events/projects within a year

Trabajamos en hasta 200 eventos/proyectos al año.
